Radisson
ROYAL HOTEL
MOSCOW

Experience Moscow's hotel dimension during the 19th CPM – Collection Première Moscow. Within sight of the Expocentre Fairgrounds and only a few minutes away by car, the Radisson Royal Hotel, Moscow was opened in early summer 2010 in the former legendary Hotel Ukraina. We are pleased to be able to introduce this upscale 5-star house to you as the first official CPM partner hotel in Moscow.

The hotel is part of the legendary "Seven Sisters", the Soviet skyscrapers designed according to one of Stalin's ideas and built between 1949 and 1957 in a neo-classical style in Moscow, which are still a large part of the cityscape. After extensive renovation CPM exhibitors find everything the heart desires after a successful trade fair day on 34 floors: 497 suites, exquisitely furnished with a delightful combination of historic and modern elements, a luxurious spa area, four restaurants, a karaoke bar and much, much more. Here the industry meets in the evening in the bar on the 31st floor with a breathtaking view of the city for spirited conversation and cool drinks.

The exclusive overnight package for the 19th CPM includes:
